

## OVERVIEW OF OUR SERVICES ABOUT US

EL CENTRO for Child Rights and Business is a social enterprise that helps companies with their supply chains improve their direct and indirect impact on children and through it, strengthen their sustainable business.

Our services are innovative, scalable, sustainable and always focused on the best interest of the child with a view of creating lasting positive impact.

EL CENTRO aims to generate a cultural transformation in companies to identify and prevent child labour risks in their direct operations and supply chain.

We're a team of experts in child rights, supply chain operations, social responsibility and sustainability.

We seek to develop positive changes in companies in their operations and supply chains, reducing the risks of non-compliance, strengthening their management and contracting practices, as well as providing greater transparency, lower turnover, greater productivity and better reputation.
